Objectives of the Year-End Evaluation

- **Assess Performance:**
  Evaluate performance against defined goals and key outcomes to celebrate achievements, identify improvement areas and ensure alignment with organizational priorities.

- **Identify & Develop Talent:**
  Recognize high performers and potential leaders for future growth, supporting effective succession planning and capability building.

- **Deliver Meaningful Feedback:**
  Provide clear, constructive, and actionable feedback that reinforces strengths and guides employees toward continued improvement and success.

- **Foster Fairness & Transparency:**
  Ensure a consistent, unbiased, and transparent evaluation process that helps employees understand expectations and performance criteria.

PROCESS OVERVIEW

Self Evaluation:

Employee engage in self –reflection, assessing their own performance against established goals, fosters accountability which prepares them for discussion with Mentor and Manager.

Circle Mentor Feedback:(Participatory)

Circle Mentors provide their feedback based on the contribution of an employee in circle and capability activities and self- growth

Manager Evaluation and Feedback Discussion:

Manager evaluate employee performance by calibrating self- assessment, gathering insights from circle mentor feedback and various sources to ensure a comprehensive review and creating space for a constructive feedback discussions

Calibration and Sign off > Rating Release

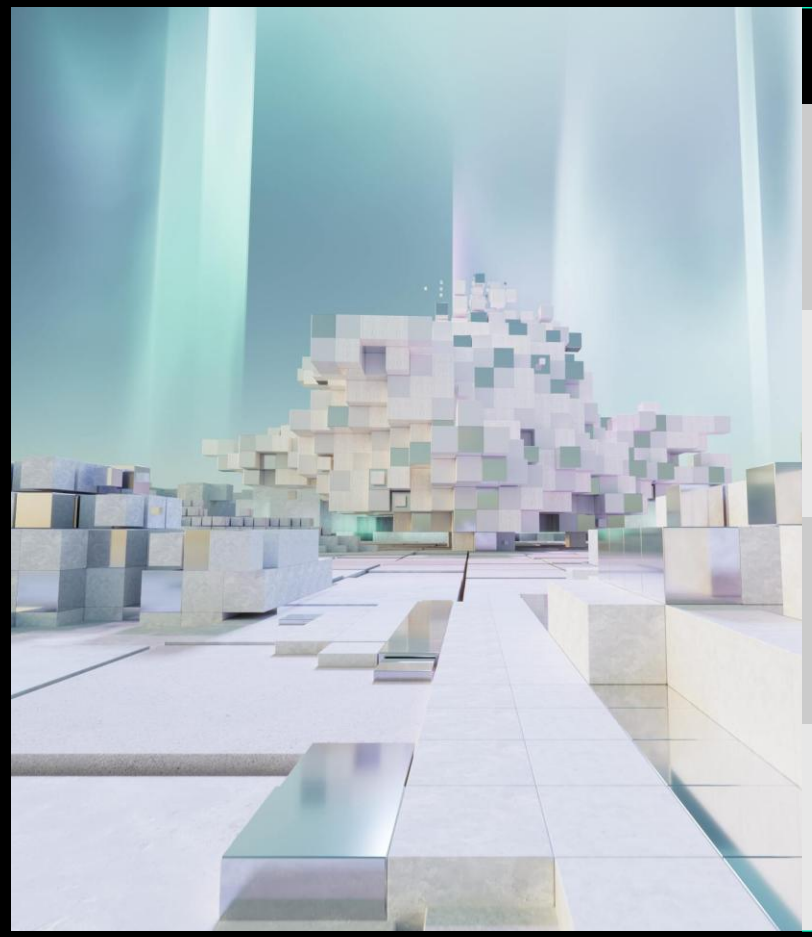
The opportunity to review the ratings and discuss with the leadership group. Finalized ratings with the documents will get released to employees

Year-End Process Timelines:

S. No.	Particulars	From	To
1	Self-Evaluation + Circle Mentor Evaluation	3-Nov-2025	14-Nov-2025
2	Manager Evaluation	18-Nov-2025	28-Nov-2025
3	Calibration with Portfolio Leaders/ Circle leaders	04-Dec-2025	31-Dec-2025
4	Sign off and Rating Release	First week of Jan 2026	

- ELT joiners from the 2024: Q2 & Q3 2024 cohorts (Completed the 1st Anniversary Evaluation) will also be eligible to participate in the Year-End Evaluation cycle.
- Employees transferred from the other entity after 30th September 2025, if any will get rated offline or based on their previous unit structure

Performance Metrics and 4 rating Scale:



Calculated Rating & Interpretation		Examples
3.5 to 4.0	Exceeds Expectations	• Regularly overachieves expectations • Immediately comes to mind along with the phrase “leads by example” • Known for tackling difficult business and people issues with care • Comes up with new ideas and better ways of doing things *and delivers* on them
2.5 to <3.5	Valued Contributor	• Reliably implements what is asked, but does not consistently exceed expectations • Demonstrates our values and enhances the culture • Infrequently comes up with new ideas or better ways of doing things • May have turned things around over the course of the year
1.5 to < 2.5	Needs Improvement	• Often fails to deliver on job requirements, but tries to remedy failures • Accepts responsibility for errors and is coachable • Inconsistently demonstrates our values • Does not think of new or better ways of doing things
0 to < 1.5	Consistently Below Expectations	• Consistently fails to deliver on basic requirements of the role and does not attempt to remedy errors • Does not meet the minimum standard of our values • Detrimental to our culture • Resistant to coaching

Manager Role and Responsibilities

- **Feedback Connect**
  Foster open and transparent communication. Reinforce the importance of the evaluation process to drive employee participation and commitment.

- **Guidance and Support**
  Provide direction and encouragement throughout the self evaluation process, helping employees reflect meaningfully on their performance.

- **Fair and Objective Evaluation**
  Ensure unbiased and performance-based assessments, focusing on facts, outcomes, and observable behaviors.

- **Development Focus**
  Promote continuous growth by identifying strengths, addressing gaps, and guiding employees on actionable development plans.
